Dear Javelina Supporters:

This past summer, we launched the Javelina Locker Room improvement program to provide alumni, fans and friends with an opportunity to support Javelina Athletics. Through generous support, we have been able to begin improving our locker rooms. However; we still need your support to help improve all of our facilities to provide Javelina Athletics with a recruiting tool to attract elite student-athletes from around the world to compete for Texas A&M University-Kingsville.

Every day, we strive to put all of our sports in the position to compete for championships. Private giving is the only way to ensure we have the resources necessary to recruit and retain elite student-athletes and coaches while enhancing the fan experience year in and year out.

Every gift, regardless of size, makes an impact and we hope you will explore the many giving opportunities to the Javelinas.

I encourage you to contact us to make a gift that will make you proud & strengthen the Javelina Athletic Department.

If you would like to make a gift or have any questions please contact me at kenneth.oliver@tamuk.edu or (361) 593-4787.

Remember Every Day is Game Day in Javelina Nation!

Go Hogs!

Kenneth R. Oliver

Director of Javelina Athletics
