

Javelina Athletic Scholarships

The difference between an annual gift and an endowed gift is that the annual gift is used to meet immediate needs, while an endowed gift provides a source of perpetual long-term support. When a gift is made to an existing endowment or to create a newly endowed fund, it is invested for long-term growth and the earnings help provide critical financial support for Javelina Athletics in the fund's designated area. Javelina Athletics is grateful for the current list of endowed funds:
