- The meeting was called to order at 3:01 pm by the FAR, Dr. Williams in COLH #251.

- Mr. Oliver went over the ISSG (Institutional Self Study Guide) and asked if members of the IAC who assisted last time would be willing to help again. Dr. Hearon, Dr. Ruiz and Dr. Houf said they would help with the sections they completed in 2005. The section assignments are as follows:

○ Institutional Purpose and Athletics Philosophy	Dr. Houf

- Dr. Houf mentioned that the main contacts will be Ken, Breanne, Scott, Dr. Tallant and Dr. Fowle
- As sections are completed they should be sent to Dr. Williams. He will then compile the sections and create a draft.
- Dr. Domino addressed two concerns.
- The first being that athletes are going to Faculty Advisors in an effort to not see their “normal” advisor. The problem with this is that they are not bringing a copy of an up to date degree plan thus creating a possible advising issue.
- The second issue was that there are some athletes who exhaust their eligibility and no longer have athletic aid to assist them with completing their remaining courses. Mr. Oliver responded that we will be implementing a 5th year program to help athletes in this type of situation. The amount and criteria are still being created.
- The next meeting is agreed to be on October 4, 2010 3:00 pm in COHL# 251.
- The meeting was adjourned at 3:42 p.m.
