

Dear Javelina Supporters:

These are exciting times for Javelina Athletics at Texas A&M University-Kingsville, and as a fan, alumni or former athlete, you can take pride in helping shape the future of our athletic program. As the Javelina's New Director of Athletics, I have discovered the rich history of successful teams at our university. Thanks to our former and current student-athletes, this legacy will continue.

To honor our former student-athletes, coaches and fans and provide away for you to continue to help move Javelina Athletics forward, we have created the Javelina Locker Program. Please take the a few minutes to review the materials included with this letter to learn more about this new & exciting athletic program.

I hope you consider becoming a member of this prestigious program created in your honor. Your donation will acknowledge your accomplishments and/or passion while also helping to drive the future success of Javelina Athletics.

It would be my pleasure to personally thank you at one of our home Javelina Athletic contest.

**Remember Every Day is Game Day in Javelina Nation!!**

Sincerely,

*Kenneth R. Oliver*

Kenneth R. Oliver  
Director of Javelina Athletics
